**Reference:**

*Blown to Bits: Your Life, Liberty, and Happiness After the Digital Explosion*, by Hal Abelson, Ken Ledeen, and Harry Lewis, Addison-Wesley, 2008 (online at <http://www.bitsbook.com/>)

**Expectations:**

Technology provides many benefits to enjoy, but there are also risks. This course is an introduction to life in this digital world. At the conclusion of this course, you are expected to understand these risks and rewards, and the trade-offs involved. Attendance and participation in all aspects of the course are encouraged. Your attendance will indicate your agreement to be involved and to encourage the involvement of everyone in the class.

**Evaluation:**

|                           |  |
|---------------------------|--|
